

RelyX™ Unicem Self-Adhesive Universal Resin Cement

RelyX™
Cements

RelyX™ Unicem Cement

- Easy to use for virtually all indications*
- Eliminates the need for etching, priming and bonding steps
- Proven to reduce post-operative sensitivity compared to traditional resin cements
- Clinically proven with years of data, independent university studies and opinion leader testing available
- Strong, adhesive, esthetic and moisture tolerant

The *first* and *#1 selling* self-adhesive resin cement technology makes your job easier

RelyX Unicem Self-Adhesive Universal Resin Cement is strong, adhesive, esthetic and easy to use for virtually all indications.* From gold crowns to the most esthetic ceramic inlays, RelyX Unicem cement eliminates the need for a complex array of technique-sensitive cements and can improve your patient outcomes by reducing the incidence of post-operative sensitivity compared to traditional resin cements. RelyX Unicem cement is clinically proven and extensively tested by industry experts.

* For veneers, use RelyX™ Veneer Cement from 3M ESPE.

Available in two sizes. The Aplicap™ Capsule for single-unit restorations and the Maxicap™ Capsule for bridge work (up to 3–5 units) or single-unit restorations where longer working time is preferred.

#1 Selling Cement
in the U.S. and Canada!
Used by 1 in 3 U.S. Dentists.

RelyX™ Cements. Easy to choose. Easy to use.

The clinically proven market leading cement from the industry leader.

What Dentists are Saying

Backed by results that speak for themselves.

- “Most Innovative New Product of the Year for 2004” – *REALITY*.
- +++++ Rating in a 2-year clinical review of 925 cases – *The Dental Advisor*.
- Independent research institute reported outstanding results in a clinical review of nearly 5,000 restorations.
- Over 60 published scientific studies and IADR abstracts by globally recognized opinion leaders and independent universities, including positive 1-year clinical study.

To obtain data and clinical studies information contact your authorized 3M ESPE representative or visit www.3MESPE.com/relyxunicemstudies.
